

WHY A BRICK?

More than 210,000 bricks were used in the construction of BB&T Ballpark.

The most important bricks, however, lie just outside the ballpark's main gates.

Because when you reserve a commemorative brick for BB&T Ballpark, you're not just investing in a keepsake that will be around for years to come; you're also investing in our community.

Each person who purchases a brick will receive two tickets to a 2017 Dash game of his or her choice based on availability. The tickets will be given in the form of a voucher that can be redeemed at the box office.

The proceeds from every brick sold in 2016 will be used collectively by Veterans Helping Veterans Heal (VHVH) and the Winston-Salem Dash to further their community outreach efforts. The Commemorative Brick Program is one of multiple charitable programs spearheaded by the Dash to benefit Winston-Salem and its surrounding communities.

Additionally, hundreds of thousands of fans will be able to see your brick and message each season, allowing you to put your own stamp on the Winston-Salem community and BB&T Ballpark.

HOW TO ORDER

Honor your family and friends, memorialize a loved one or celebrate a special event with an inscribed commemorative brick at BB&T Ballpark.

Each 4" x 8" brick may be purchased for \$125. The brick can have a maximum of 3 lines and 18 characters per line, including punctuation and spaces. Additional keepsake bricks can be purchased for your home or office for an additional \$100 per brick.

Please fill out the grid below as you would like it to appear on your brick, using capital letters only.
Each line will automatically be centered on the brick.

ABOUT OUR PARTNER

About Our Partner - VHVV

Did you know that more than 300 veterans are homeless in Forsyth County each year?

Veterans Helping Veterans Heal (VHVV), a 501(c)(3) non-profit entity operates an extend-term housing program for homeless veterans with mental health and/or substance abuse issues.

Our Purpose

VHVV's purpose is to complete our obligation to homeless veterans by restoring a foundation of home, health and spirit and, through the VHVV program, transitioning them from consumers of services to contributors to our community.

Our Program

Restoring home, health and spirit allows each resident to focus on the VHVV program that gives them the skills, education, confidence and a plan to rebuild their lives and reestablish them as contributors to our community. VHVV's 90/90/360/90™ program is customized to each resident in concert with our staff, led by a case manager and delivered over approximately 24 months.

Our Results

Through our program, our graduates have rebuilt the foundations that allow them to sustain independence and success. VHVV works.

- Nearly 85% of our graduates have steady employment or income
- More than 80% of our graduates have gained permanent housing

Meet Our Vets

We're proud of our results, but our vets' experiences give real meaning to our success. Come to VHVV.org and see their success stories. Meet Robert, a US Navy veteran. Meet Calvin, a US Army veteran.

Visit us at VHVV.org – Restore the home, health and spirit of a homeless vet.
